Message from Jennie	1
AFCM Prison Bible School graduations	1
Orphans Christmas party	2
AIDS awareness campaign	2
Vocational Bible School	3
Special needs Children graduate	3
Bible Distribution	3
DOM Secondary School	4

Special note:

Orphan sponsor reports are rolling out now. A special thank you to all who gave an extra \$10 for their Christmas party and gifts.

It's Christmas time again and what a glorious year we have had here at DOM.

As we approach the festive season, the Lord lead us to go on a fast in accordance with Isaiah 58:6-13

V.6 ...“to loose the bands of wickedness, to undo the heavy burdens and to let the oppressed go free, and that ye break every yoke”.

V.8 “then shall thy light break forth as the morning and shine, health shall spring forth

speedily, and thy righteousness shall go before thee; the glory of the Lord shall be thy reward.”

We have since seen tremendous break through in the ministry, our personal lives and also in our prayer life.

Subtle unbelief is one area that we have dealt with as a corporate body, awaking unto righteousness in the small areas of our everyday life is another.

I sense a newness, a freshness and fervency for the year ahead. An

excitement in my spirit and an expectation of greater things to come as we keep our minds and hearts fixed on HIM.

This Christmas, as we celebrate the love of God towards us, we pray that your light again would shine, that every band of wickedness be broken over you, that your health would spring forth speedily and that you be like a spring of water that faileth not in 2010.

MERRY CHRISTMAS TO EVERYONE FROM ALL OF US HERE AT DOM.

A association of Faith Churches and ministers

In October, we conducted a series of Bible School graduations conducted in various prisons around Kenya.

As part of the rehabilitation programme, we joined with Prison staff and guests to wit-

ness 249 inmates graduate with Diploma's.

This coming year we will embark on building a chapel / Bible school classrooms in one of the maximum

prisons in Kisumu for the continuation of this programme.

ORPHANS CHRISTMAS PARTY

The older ones were reminded on the importance of conducting ourselves as Christians, not just in words but in life style.

Thanks to your giving, we were able to reward 38 children who improved in their school results from last term until this term, each receiving a mathematical set.

What a great day it was!! A day of fun, laughter, sharing, caring and of course eating!! The younger ones enjoyed colouring, games, and sharing about what Christmas means to them.

We rewarded 2 students who completed their High school education with a gift voucher to spend as they choose.

16 who completed their Primary education were given a gift and are awaiting for their results in order to gain a position in High school.

The other 111 each went home with a Christmas package to share

with their family and a little something special for themselves.

January 4th marks the opening of another school year. Thank you to those who have already sent their support in preparation for school shopping.

AIDS AWARENESS CAMPAIGN

November 22nd—December 12th marked a National AIDs awareness campaign with a target to test 1 million people nationwide. As a Counseling and testing centre, we concentrated on testing the general population and those most at risk—Prisoners!

Having built a relationship with the inmates, we were able to give eternal hope to those who tested positive and referrals for the necessary treatment and support. During this period we tested 995 people!!

Ungoe branch Church..

It took 6 weeks longer than expected due to the slow transport system (donkeys!!), but the Ungoe branch work church is almost complete.

189 trips up the mountain with donkeys to cart 50 tonne of sand and a lot of hard work (manual—not machine) and the structure is now in use. We need only to plaster the floor and give it a little paint to brighten it up.

The local area member of Parliament was so apprecia-

tive of our efforts that he has committed to making a road to the site and installing electricity in the near future.

CHILDREN'S AND YOUTH VOCATIONAL BIBLE SCHOOL TRAINING

It's school holiday time here until early January and with so many young kids and youth around, we have engaged them in several activities for the holidays.

Last week, 38 attended the Vocational Bible School training which

was emphasizing on the Character of God.

Each holidays we shall cover another topic until the Basics of Believers are established in each **child's heart.**

This week we shall hold our annual youth camp.

December Vocational Bible School
Training graduates

If you would like to receive our newsletter via email, please contact us on dom@africaonline.co.ke

Who says I am challenged?

Our special needs children are saying some goodbyes!!

This year, we have 5 children transferring into main school streaming as they have improved so much in their academics.

This paves way for 5 more challenged children to be admitted in 2010.

Those who are staying on will be continuing in Vocational skills training in the afternoon where they have

learnt bead work, shoe repairing and pottery in the past term.

Bible Distribution...

Thanks to your support, we were able to purchase various titles of scripture reference books and full bibles from Bible League and Bible Society at a supplemented cost for distribution within the prisons where we are working.

It is like Christmas for the inmates and particularly for the AFCM Bible School students who use the material for reference in the Prison library during their course time.

You can make a donation towards this project for the coming year.

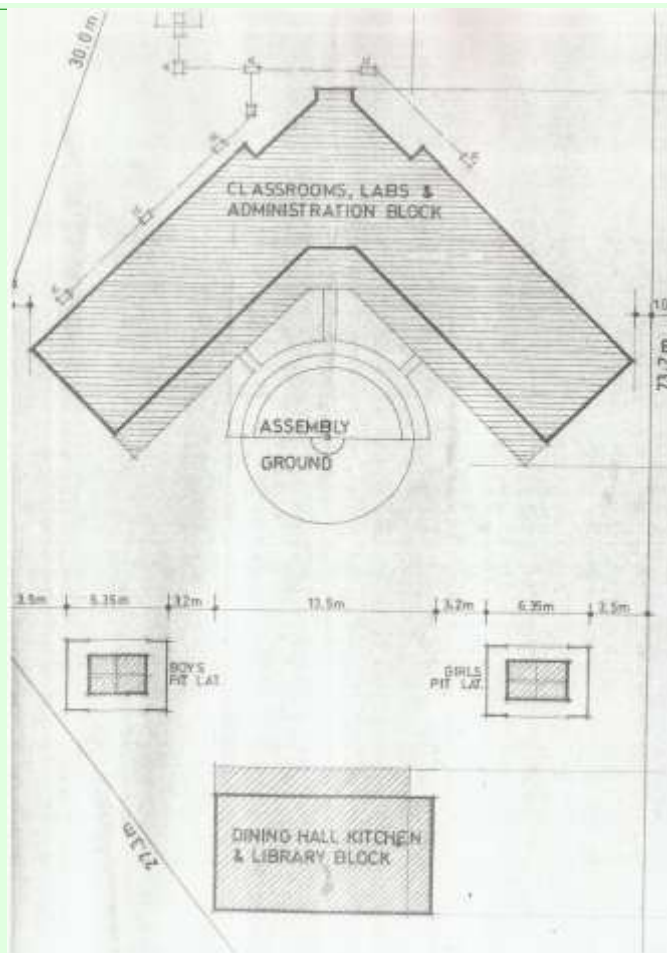

DISCIPLES OF MERCY SECONDARY SCHOOL

I look back at the day God told me to start a school and never thought that it would include a High school. But with faith as a mustard seed, we put our hand to the plough and in January, with the support of Round Table Germany, we will begin digging the foundation of DOM Secondary School.

It is our hope to be able to offer quality education to those who

choose to feed on from our primary school but also to those in the local community who did not secure a chance in Government schools as there are currently only 60% of the primary graduates.

We ask that you cover this project in prayer for safety, provision and wisdom as we choose the staff and selection of pupils for 2011.
